Proud Supporter of Columbia Central Lions!

Welcome to Columbia Central High School

My name is Roger White, Principal of CHS and I am a proud 1983 graduate of CHS.

I received a B.S. in Biology and a Masters in Administration from Middle Tennessee State University. In 1988 I began teaching at CHS where I also coached football, basketball and softball (our 2001 softball team was a state runner up).

I married the former Anita Robinson who is also a 1983 graduate of CHS. Together we have three boys, Kirby, Andrew, and Robin. I enjoy anything my boys are involved in and all sports.

We are proud of our school, staff, students and alumni. High expectations are demanded here at our school. Our goal is to provide a challenging and exemplary education for all students in a safe learning environment.

We encourage all parents to be involved in your child's education here at CHS. Please feel free to contact your child's teacher, guidance counselor, or an administrator here at our school.

We are proud of our tradition of excellence here at Central and encourage you to be a part of Lion Nation!

Congratulations

The seconds tick away
The final buzzer sounds
The hero walks away
From hallowed gridiron grounds.

And as the teams walk off
His crying heart does plead
Just one more chance to run
Another chance to bleed.

The helmets shine so brightly
The cold air is so right
He knows he'll never play again
On such a perfect night.

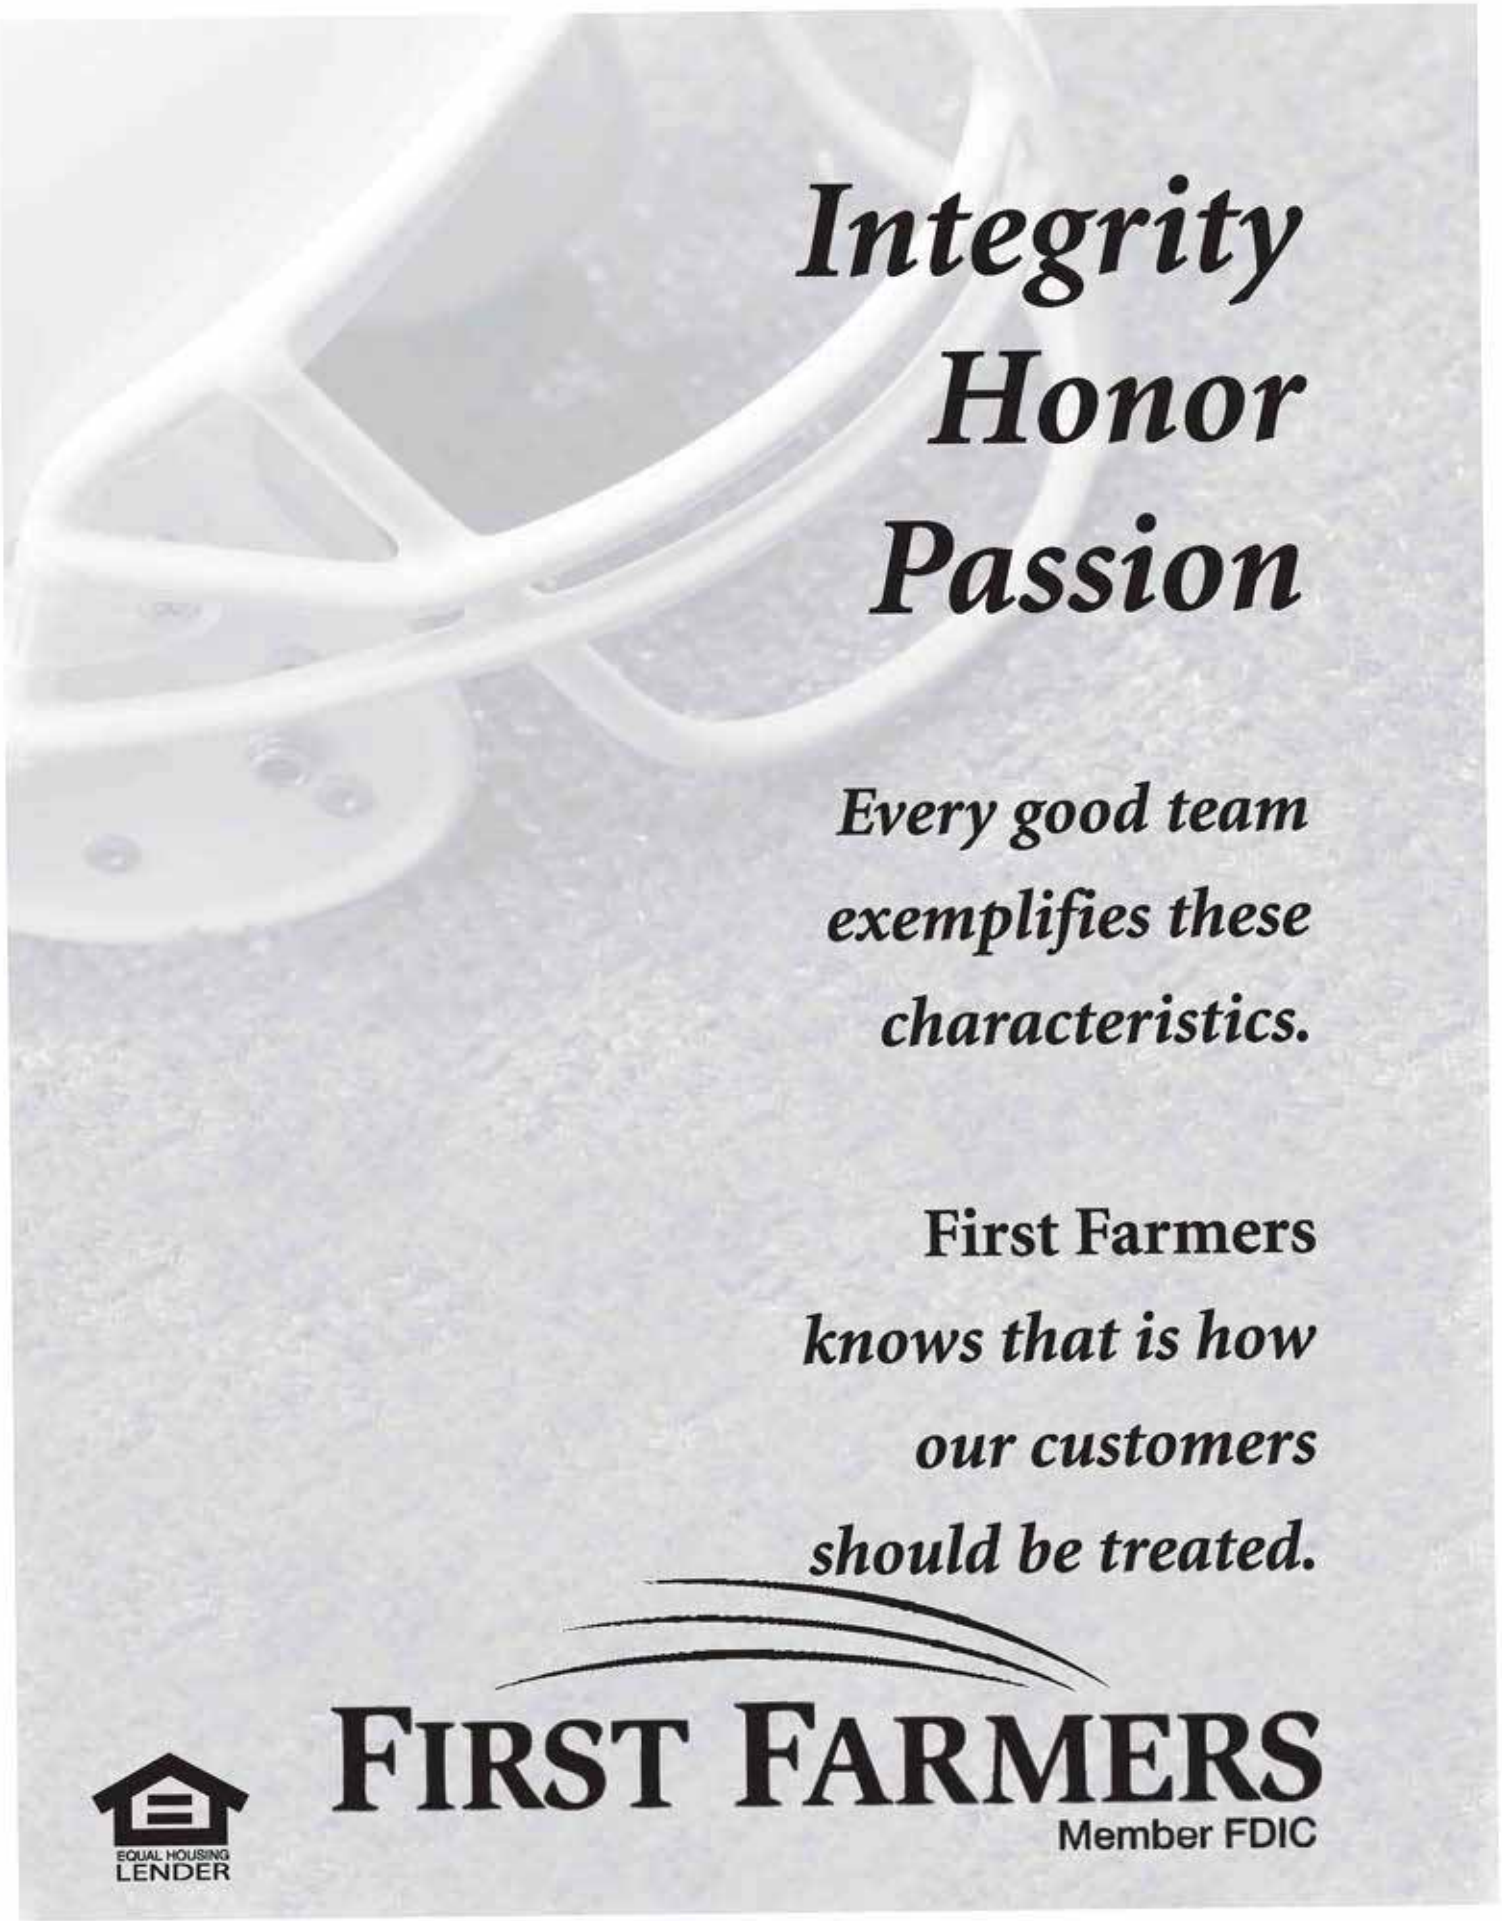
He does not feel the bruises
For him there is no pain
Except the aching agony
He'll never play again.

A hundred grueling practices
A thousand wind sprints run
It all seemd so simple then
Back when he'd first begun.

He worked his mind and body
Shed blood, shed sweat and tears
His childhood to adulthood
He'd learned to face his fears.

Forty-nine other faces
Had watched his work and strain
Forty-nine other hearts and minds
All shared the losses' pain.

And with these Forty-nine souls
He walks off at the end
One word can sum it up now:
That single word is FRIEND.



Integrity
Honor
Passion
Every good team
exemplifies these
characteristics.
