Heading into the 2018 campaign I'm excited about the opportunities that are ahead of us. There will be a lot of new faces on the field this year as we graduated 20 seniors from last year's team, 15 of which were starters. This allows the opportunity for some younger Lions to place their mark on this great program. This group of young men have been working extremely hard all year in preparation for this season and all of the challenges it will present. Even with some younger guys making their debut in varsity play, we also have a group of upper classmen that will play key roles in all three phases of the game. I'm excited to have the opportunity to coach Team 105 here at Columbia Central and to be a positive impact on these young men's lives.

(LtoR) Jase (13), Kate, (6), Summer, Autumn (7 mth), Jason, and Nate (11)

The 2018 Lions are coming off their best season, a record of 7-4, since 2014 when they went 6-5 and lost a tough fought game against Beech in the first round of the state playoffs. Like that team the 2017 Lions suffered a first round loss to the hands of the Beech Buccaneers.

This season looks for similar success and improvement at the same time. Coach Hoath and his staff have a favorable home schedule. The opponents have a combined 24-32 (.428) record from last season. That does include a 10-3 record from Summit HS, who also undefeated in region play last season. The remaing home games include Dickson County, Lawrence County, Shelbyville, and Page.

The Lions road schedule is also in their favor with trips to Hillwood, Lincoln Coiunty, Spring Hill, Franklin County, and White County. Combined these road teams have a very favorable 17-36 record from 2017. White County was winless last season and the Lions should take full advantage of this weakness in the schedule again this season.

Again this year, CHS will participate in the Parks Motors Backyard Bowl with Spring Hill HS. Last year the Lions blew past the Raiders 31-21 at home. This season the Lions will travel up the road to Spring Hill and try to continue their success again the marroon and white. CHS is 18-1 overall again SHHS and wants its 19th victory over their in-town rival. Spring Hill will be without star running back Donte Smith, since the standout graduated last year and is currently at Georgia Tech. This game will be a game of interest for both communities in this county. Last season there were well over 5,000 fans for this showdown and it did not dissappoint.

Homecoming arrives early this season with an old school matchup against Lawrence County on Sept. 7. This game dates back to 1932, and even before that in 1921 when there was Lawrencburg Militarty Academy. The Lions have dominated the Wildcats over the last 10 years with a a record of 8-2. However, CHS does want to improve against them since the Lions are just 2-2 in the last four meetings.

The 2018 team will lean on many players for continued success. These Lions are highlighted on both sides of the ball with experience and leadership. On defense there is senior strong safety Bryce Mangrum (#23), junior defensive lineman Josh Hann (#70), and junior defensive end David Bailey (#50). Offensively, the Lions are being lead undercenter by senior quarterback Darien Davis (#1), as well as other offensive threat in senior wideout Dontavious Brown (#5) who also play defensive back for the defense. Any good throwing and running game needs a strong offensive line, junior Keelan Littlejohn (#57) will anchor down and lead the front five this season.
